Content Type	Primary Goal	Tone & Style	Key Strengths	Limitations
Blog Post	In-depth education, SEO value, narrative building.	Thoughtful, editorial, inspiring.	High trust-building; addresses consumer skepticism; ranks on search engines over time.	Low immediate conversion; requires significant reading commitment from the user.
Product Description	Direct conversion, feature clarity, purchase validation.	Direct, punchy, benefit-driven.	Reduces buyer friction; scannable specs; answers buying objections instantly.	Dependent on existing traffic; doesn't generate top-of-funnel discovery alone.
Social Captions	Immediate attention, viral reach, community engagement.	Hook-heavy, aesthetic, conversational.	High shareability; native to where consumers discover products; immediate feedback loop.	Short shelf-life; limited space for complex messaging; highly reliant on visual assets.
